

Cameron Price

Director

m3p&e

Cameron is a recent addition to the m3p&e Advisory team, having joined early in 2009. He has over 21 years experience and has worked with some of the top firms in Melbourne including insurance brokers, real estate companies and accounting practices.

He has worked extensively overseas completing valuations throughout Asia and Europe and has experience in all areas of asset valuation and asset register.

Cameron has developed a reputation within the Australian valuation industry as an expert in data cleansing and asset register reconstruction. He is able to provide a seamless transition between historic and current data which is particularly important in due diligence considerations in mergers and acquisitions as well as for tax and financial reporting obligations.

In recent years he has done extensive valuation work for the following:

- Valuations for financial reporting purposes;
- Valuations for mergers and acquisitions;
- Insurance and loss assessing;
- Asset divestment and receivership;
- Valuations for due diligence & purchase price allocation;
- Asset register reconciliations and implementation; and
- Valuations for tax (tax consolidation)
