

Chris Bailey

Director
m3capital

Chris has over 30 years experience in the Banking and Finance industry. Immediately prior to joining m3capital Chris was a Division Director with Macquarie Group, Australia's largest Investment Bank and Top 30 Listed ASX Company.

In over 12 years of employment within the Macquarie Group Chris held senior management positions within the Banking and Property Group focusing primarily on providing equity and debt capital for the real estate development and investment industry. Chris has structured and arranged the funding of numerous real estate projects spanning all property sectors within Victoria, New South Wales and Queensland and has been involved in the funding and evaluation of real estate projects in the USA.

Chris has an intimate knowledge of financial markets and their operations, project feasibility modelling, financial and credit analysis, lending documentation, joint venture structuring and project delivery methods.

Chris is a regular guest lecturer in advanced property funding techniques for both the Property Council and RMIT.

Qualifications

Bachelor of Business (Swinburne)
Certified Practising Accountant (CPA)
Fellow Finsia (F Fin)
