

Dan Magree

Director
Capital/Advisory

Dan has been active in the real estate investment industry since 1985, gaining experience across a broad spectrum of sectors. He has provided expert advice and direction on major properties and developments around Australia and in North America.

Dan has extensive experience in capital markets, structuring and raising debt and equity for owners and developers. Dan has also managed significant property disposals and undertaken due diligence assignments on some of the largest property acquisitions in Australia.

Recent Experience:

Active participation in the Seniors Living Sector providing capital markets and valuation advice.

Structuring and arranging debt financing for various investment and development properties.

Preparation of rental advice and lease negotiations on behalf of major corporations.

Transaction management and property acquisitions and disposals of investment grade property and development opportunities.

Valuations of major commercial, industrial and senior living assets throughout Australia on behalf of REIT's, unlisted wholesale funds and owners.
