

Frank Sorgiovanni

Director
National Research

Frank is responsible for leading m3property research nationally and has over 12 years' professional experience in property research, economics and consulting roles focusing on key markets across Australia and Asia. Through previous analytical roles with Jones Lang LaSalle, CB Richard Ellis and Charter Keck Cramer, Frank has developed a broad range of research skills including market reporting, presentations, highest and best use studies, forecasting as well as tailored consultancy and investment strategy.

Having worked across various property asset classes in his career, Frank has specialised knowledge in residential (low-medium density, apartments and aged care) and commercial (office, retail, industrial and hotels) property markets, representing local and state Government as well as private developers and institutional clients.

Qualifications

Bachelor of Commerce (Property & Finance)

Member of Property Council of Australia
