

Jeff Franklin

Director
m3capital

Jeff has extensive experience in the banking and finance industry, since 1964 including more than 20 years Corporate and Business Banking expertise. Jeff established the property finance business for St George Bank in Victoria and was State Manager for nine years.

Jeff is well known in the Banking Industry and has structured finance packages for hundreds of real estate acquisition and development projects over the years. These range from simple commercial property acquisitions to complex development proposals for multi unit developments, commercial and industrial estates, subdivisions, golf courses, hotels and airports.

Since commencing at **m3capital**, project funding transactions between \$2m to \$60m have been structured, arranged and financed.

Jeff has highly developed knowledge of Bank policy/procedures and Corporate Institutional Matters that he utilises in project management and transaction structuring.

Qualifications

Graduate Retail and Public Relations,
Melbourne University
Australian Administrative Staff College
