asset advisory

m3property has extensive advisory experience with Listed Property Trusts (LPT's), Unlisted Trusts, Corporations and Government enabling the formulation of strategies that optimise these clients' financial and non-financial objectives.

Recent Experience:

Development Advisory

Determination of highest and best use, assessment of land value and financial analysis for various projects across Australia.

Financial Analysis

Market studies and financial analysis on various industrial and residential projects.

Sourcing New Premises

Lease Negotiations with respect to sourcing new office accommodation in the Melbourne CBD and in Melbourne's inner eastern suburbs.

Sourcing Debt and Equity

In conjunction with **m3capital** we have provided financial and market analysis to provide support for various capital raisings.
