m3p&e

m3p&e is the plant & equipment division of the m3group. m3p&e provides valuation and advisory services to a diverse range of asset owners, users and financiers.

Our m3p&e team assist clients with professional valuation and advisory services in relation to their manufacturing, production, transportation and infrastructure assets.

m3p&e's particular strengths are their independence, their extensive experience valuing assets in Australia and overseas, as well as the ability to undertake valuation and advisory projects of all sizes.

m3p&e provides valuation and advisory services for insurance (Industrial Special Risk), mergers and acquisitions, accounting and taxation, pre purchase due diligence, corporate recovery, effective life reviews, asset register reconstruction and due diligence.

Our team has experience over a broad spectrum of industries which include public utilities, printing and publishing, petro-chemicals, oil and gas, pulp and paper making, food processing and packaging, mining and manufacturing, government sector assets, hotels and theme parks and communications and IT.
